Notification to Fishermen

Nord Stream 2 Project

31.10.2018

1. Purpose of this notification

Nord Stream 2 AG hereby submits a notification for the activities to be performed for the Nord Stream 2 Project in November 2018.

During this period, rock placement and pipelay are planned in the Finnish Exclusive Economic Zone (EEZ), as well as rock placement in the Swedish EEZ.

Nord Stream 2 AG reminds that the construction vessels have limited manoeuvrability while performing their work and that safety exclusion zones are therefore established around the vessels carrying out the Nord Stream 2 activities.

2. Vessel information

Planned Vessels

Pipelay in Finland:

Solitaire – Call sign: 9HA4114

Solitaire Survey support:

Oceanic – Call sign: 9HA4426

Other supporting vessels to Solitaire:

Pipe Carriers:

Solvik Supplier, C6ZW5

Havila Crusader, LCAH3

Symphony Performer, PBRD

Supply Ship:

Havila Fortress; C6NX9

Rock placement in Finland and Sweden:

Nordnes – Call sign: PHOG

3. Duration and locations of activities

In November **Rock placement** activities with *Nordnes* will be carried out mainly in the Finnish jurisdiction. In addition, *Nordnes* is planned to perform a few days of work in the Swedish EEZ.

Pipelay with *Solitaire* will continue throughout November in the Finnish EEZ, with pipe supply to be carried out from Kotka and Koverhar. The laying direction in November is from east to west – towards Sweden.

Please note that these details are subject to change for operational reasons.

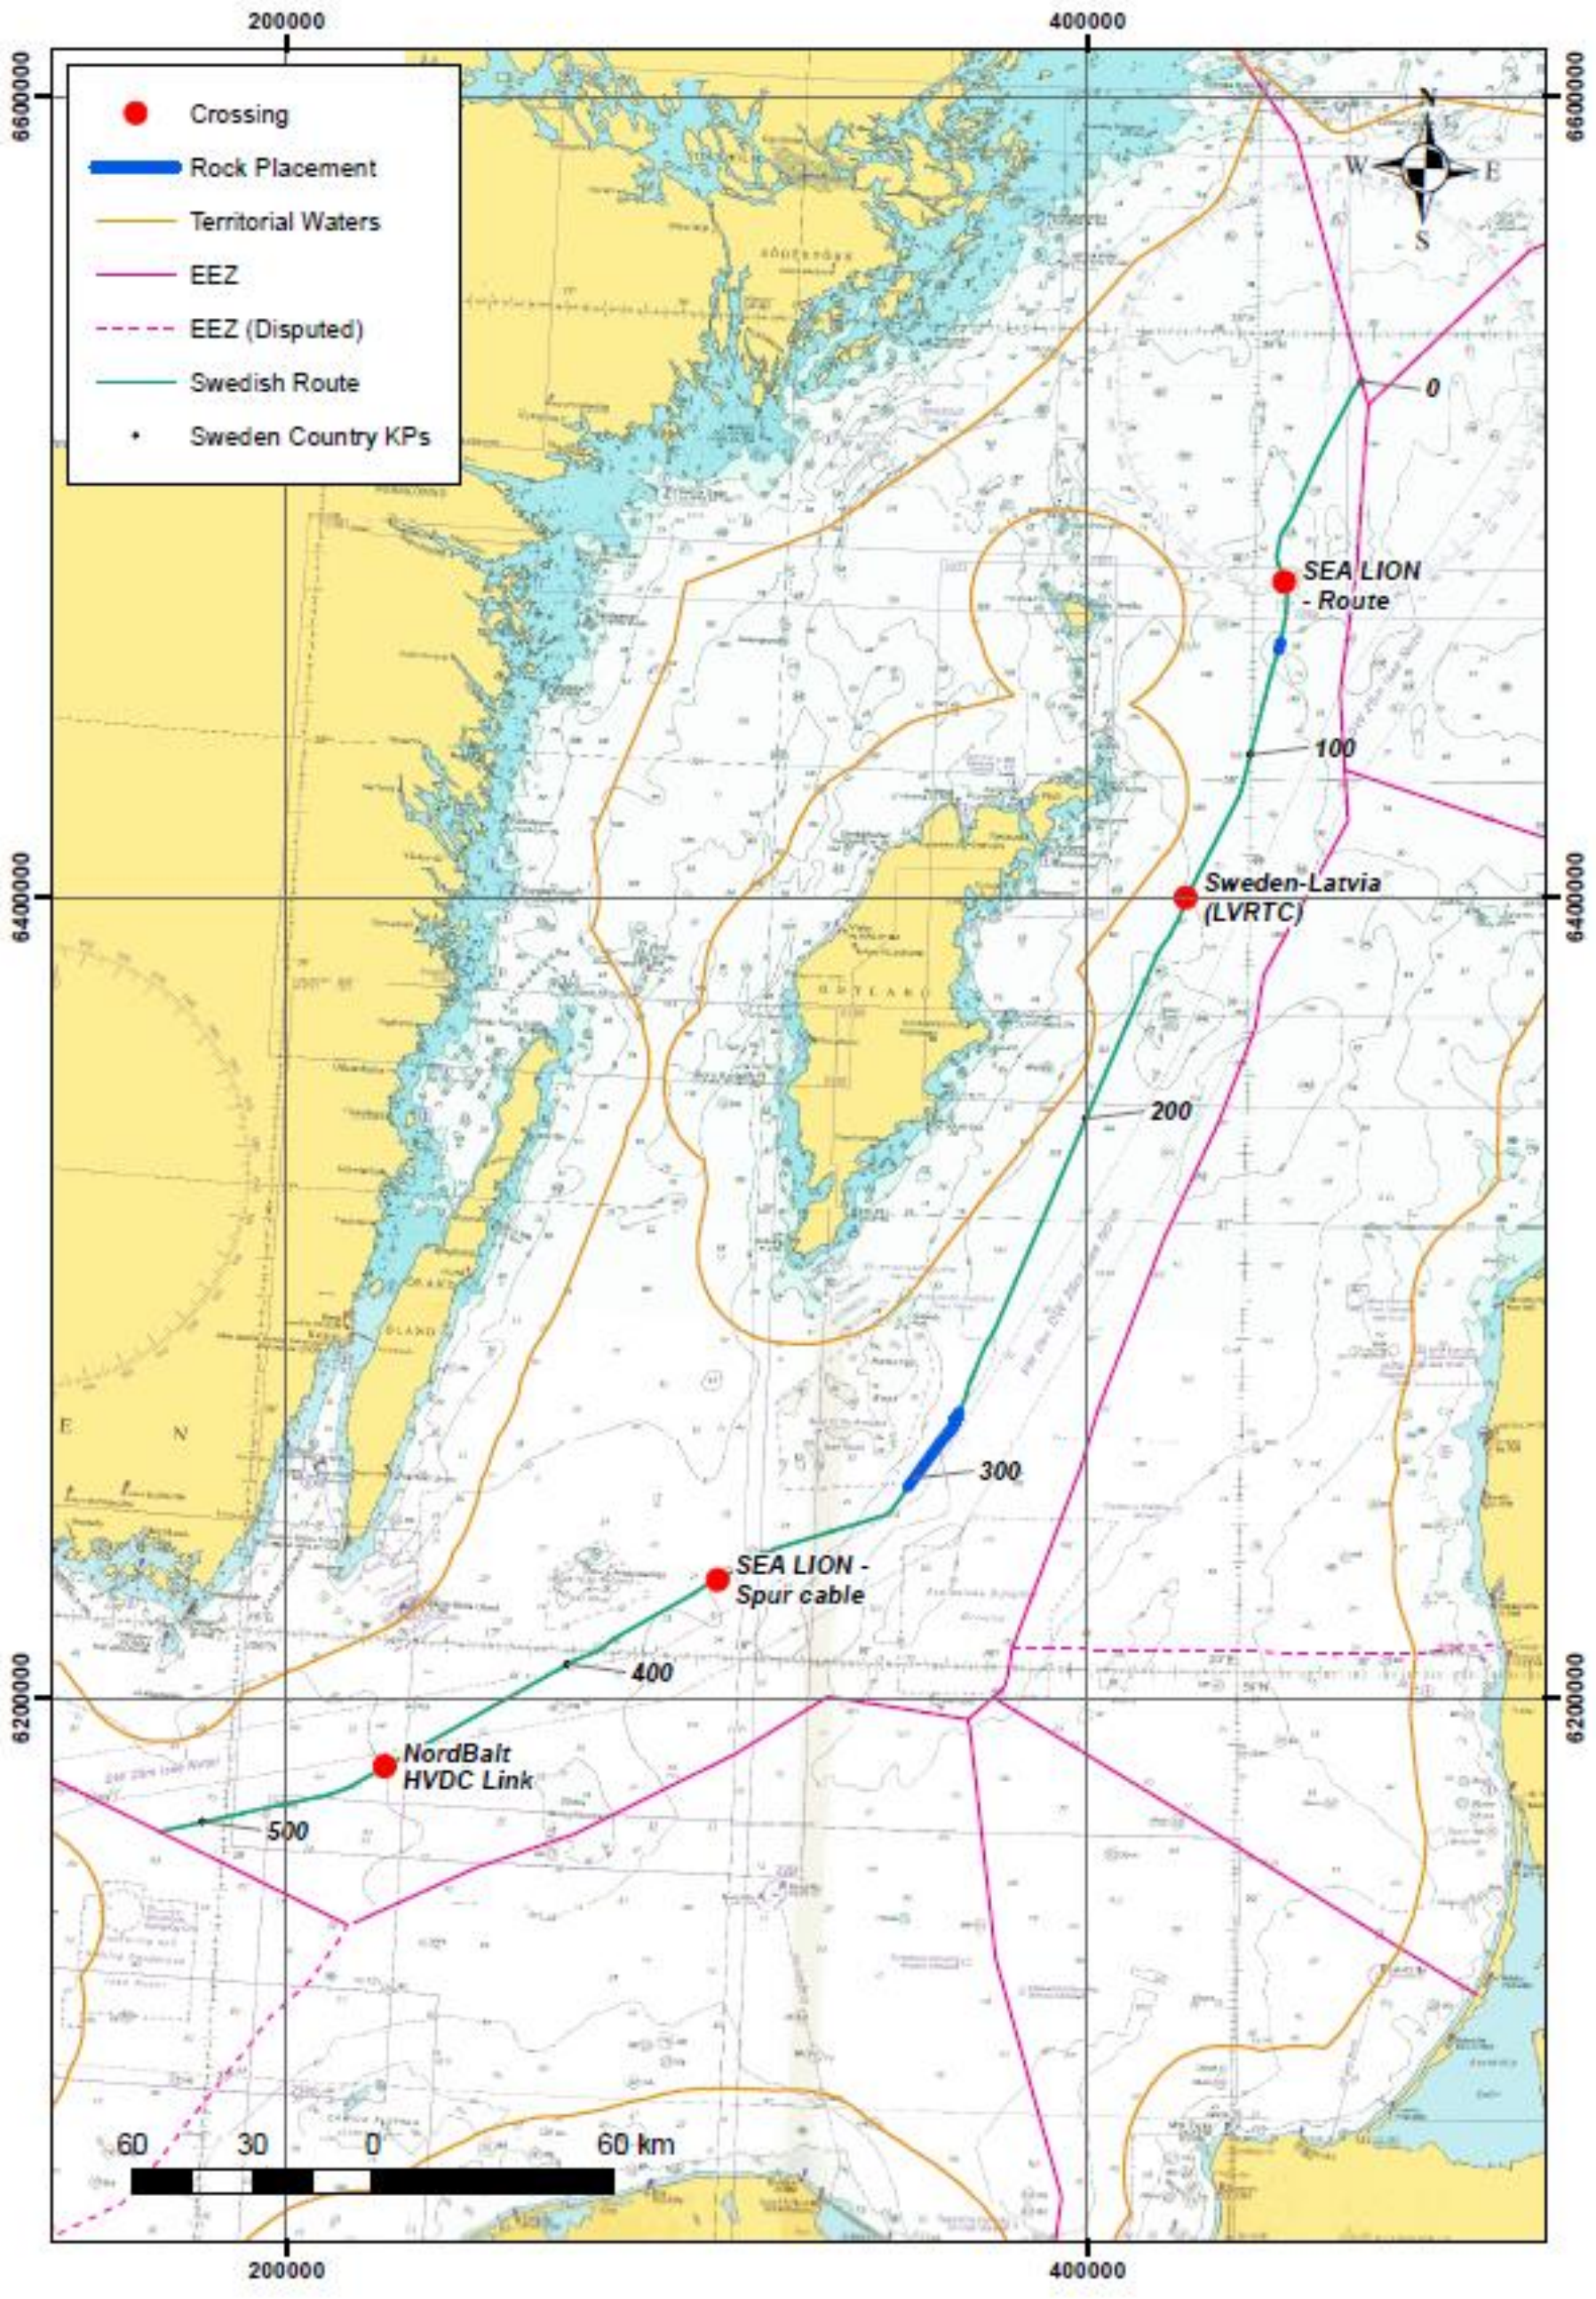

Figure 2: Nord Stream 2 rock placement activities in November in the Swedish EEZ are planned in the area near the Kilometre Point 300 of the Swedish route (highlighted in blue)

4. Exclusion Zones

Nord Stream 2 AG would like to highlight that a safety zone of 1 nautical mile is established around Solitaire and 500 meters around the other vessels performing activities for Nord Stream 2 Project.

Information about the works to be performed in the upcoming weeks, can also be found on the Notices to Mariners web-page, available at:

https://www.liikennevirasto.fi/ammattimerenkulku/merikartat/merikarttojen-paivityspalvelu/tiedonantoja-merenkulkijoille-vuodesta-2005/2018#.W7HcLiB9jb0 [1]

and
